

The coneflower, with the characterizing shape described by its uncountable pistils, has inspired the creation of the graceful 610 lamp. It is named after one of the Fibonacci numbers, a sequence of numbers reflected in nature, for example by the arrangement of petals and seeds in flowers.

	<input type="radio"/> 610 Hanging D23
Bulb	<input type="radio"/> 240V
	<input type="radio"/> 120V

610 Hanging D16: G9 halogen (Max 33W) supplied
610 Hanging D23: G9 halogen (Max 48W) supplied

Type	Hanging light
Designer	Janne Kyttänen 2010
Color	White
Material	3D printed Nylon

HOW IT'S MADE

This product is the outcome of Freedom Of Creation's ten years of pioneering research exploring 3D printing technologies; a process that transforms a CAD file into a real object by a printing process, adding one layer of matter onto the other until the entire object is generated. The unlimited expressive possibilities that these technologies provide have characterized FOC as a trendsetting brand.

INSTALLATION INSTRUCTION

- Step 1** – Make sure that the electricity is switched off
- Step 2** – Attach the ring shaped mounting unit to the ceiling with the screws & plugs that are included
- Step 3** – Pull the cable through the cone and lock it on your preferred length by screwing tight the transparent tension release. The cable part that is redundant can be cut and the part that is used should be stripped
- Step 4** – Place the cone on the mounting unit and turn so that it locks in place
- Step 5** – Unscrew the transparent cap on top of the shade and push down the cable so that the ceramic fitting slides through the hole in the bottom of the shade. Then insert the bulb, pull the cable & fitting back in place. The transparent cap should be screwed back tight

DAILY USE INSTRUCTION

Light placement
– Only indoors

Bulb (re)placement
– Follow step 5 of the installation instruction
– Do not (re)place when the light switch is on
– Do not touch halogen bulbs with your bare hands
– Do not use bulbs that exceed the maximum wattage specified in the right top of the sheet

Precautions
– Do not cover the lamp
– The product is not a heavy duty item but a work of art, so treat it carefully

Cleaning
The shade can be cleaned with standard soap and a dishwashing brush or it can be placed in the dishwasher

DIMENSIONS

	Package dimensions	Net/gross weight
610 Hanging D16	43 x 43 x 27 cm	0,5 / 3 kg
610 Hanging D23	43 x 43 x 27 cm	0,7 / 3 kg

COLOR CHANGE

Just like people the color of the 3D-Printed shade ages. It comes out white and will become a stable off-white color after a year
